Please add the veg price and membership fee together and set up a monthly Standing Order to pay for them. **(If you are already a member, please include this in your standing order and we will refund you the unused portion of your membership.)**

As well as your payment, we also ask that for each Vegetable share taken up, you also try to contribute **three 3-hour** work shifts throughout the subscription year. You will be able to do these shifts on any of our work days throughout the year (on **Wednesdays and Saturdays, between 10am and 1pm**). This will mainly involve manual work in the vegetable fields, weeding, harvesting etc. If, however, you do not feel you would be able to do such physical work, there are other options open to you, e.g. helping out at social days, delivering leaflets etc). Please let us know if you feel this applies to you; we can then work out together what other activities may suit you better.

**PLEASE NOTE**

If you wish to cancel your veg share subscription with us, we ask for **2 months notice**. This is to allow enough time to ensure that we have someone else to take up your share.
